

# **TWMC Racing Etiquette Guidelines**

1. If someone is riding behind you and they want to pass, let them pass you at the safest opportunity
2. If you are trying to pass someone, do so safely and respectfully
3. Novice X riders new to racing should have a chase person to assist with obstacles
4. Parents of young riders, please move your child over on the trail safely to let other riders pass
5. If you see an injured or broken down rider, please check on them and alert the next check crew
6. When stopping on the course, pull completely off of the course to allow other riders to pass
7. At ODO checks, do not block visibility of the sign from other riders
8. Non Timekeeping riders should enter checks behind timekeeping riders
9. When pulling ribbon, make sure you stay together as a group. Count the number of riders in your party and ensure that everyone makes it back to camp safely
10. You are racing a Training Wheels Race, please have fun and stay safe
